### IMPORTANT ORDERING & INSTALLATION INFORMATION:

- Before ordering or installing, please consider future access to equipment.
- Add bedding compound to fully level and support bottom of tub.
- Tubs equipped with an air bath or a pre-leveled foam base are designed to rest on the floor *without* bedding compound, provided the floor is level.
- **Overall tub height is increased by approx. 2-3" when tub is equipped with any air bath package or when pre-leveled foam base or frame system is ordered.**
- Please measure tub **on-site** before building tub decking.
- If you are planning to use a glass enclosure, MTI must be advised when ordering for possible relocation of controls.
- Suction and control locations may vary.
- Specifications and configurations are subject to change without notice.
- Measurements are  $\pm 1/2"$  and are subject to change without notice.
- Measurements herein supersede all others published prior to publication date shown below.
